

Name: Julia C Evans

Title: retired housing administrator

Organization: none

County: Onondaga

Comment: Re: as a member of Peace Action of CNY, I joined after reading Wileys, "Ugly American", back in the day. I would ask that the 'cancer clusters' be researched and identified, openly, in the next six to nine months. I am sure there is info. about that available. The reporting of that research needs to be TRANSPARENT. Keep on keeping on! Thank you for taking my response.
